UPPER SANDUSKY HIGH SCHOOL 1979

INDIAN VILLAGE

The year 1979 at U.S.H.S., like a motion picture, was filled with drama, comedy, action and suspense. There are parts of the year 1979 that will never be forgotten as there are in motion pictures. A motion picture could not be completed without the directors, actors, crewman, etc. Likewise this production would never have been completed without our own faculty, students, annual staff, etc. Motion pictures can be seen over and over again. Although the 1979 school year can never be brought back, we hope the memories can be relived through this yearbook.

EXCHANGE STUDENTS

Kari, Yukari, and Dulce are enjoying their year at U.S.H.S.

Our exchange students come to us through the Youth for Understanding Program, which is a non-profit educational oganization. It is dedicated to fostering greater international understanding by making it possible for young people to have an overseas family living experience. Since 1951, Youth for Understanding has brought the excitement of international exchange to more than 50,000 students in fifty countries.

U.S.H.S. is privileged to have three exchange students this year. Kari Ysteboe from Norway is staying with the Richard Diebert Family, Yukari Abe from Japan is staying with the Herschel Rhodes family and Dulce Costa from Brazil is staying with the Larry Fruth family. We have all profited from the experience of having these three students with us, and we hope they have had an interesting and educational experience in the United States.

The 1979 U.S.H.S. musical was entitled "Fiddler on the Roof." Many people were involved in making the musical a success, and a success it was. It was presented March 29, 30, 31 and April 1. Those who had the opportunity to view the performance know that it was truly an example of teamwork. Teamwork that changed the musical . . .

FROM THIS . . .

The play begins in 1905 in a small Jewish village called Anatevka. This settlement tucked away close to Siberia, is controlled by the Russians and is just prior to the Bolshevik Revolution and the eventual takeover of the communists.

From 70 A.D. until 1948, the Jews were a people without a land to call their own. One way that they survived is with the help of their God (and our God) and tradition.

"Tradition. Without our traditions our lives would be as shaky as . . . as a fiddler on the roof."

TO THIS . . .

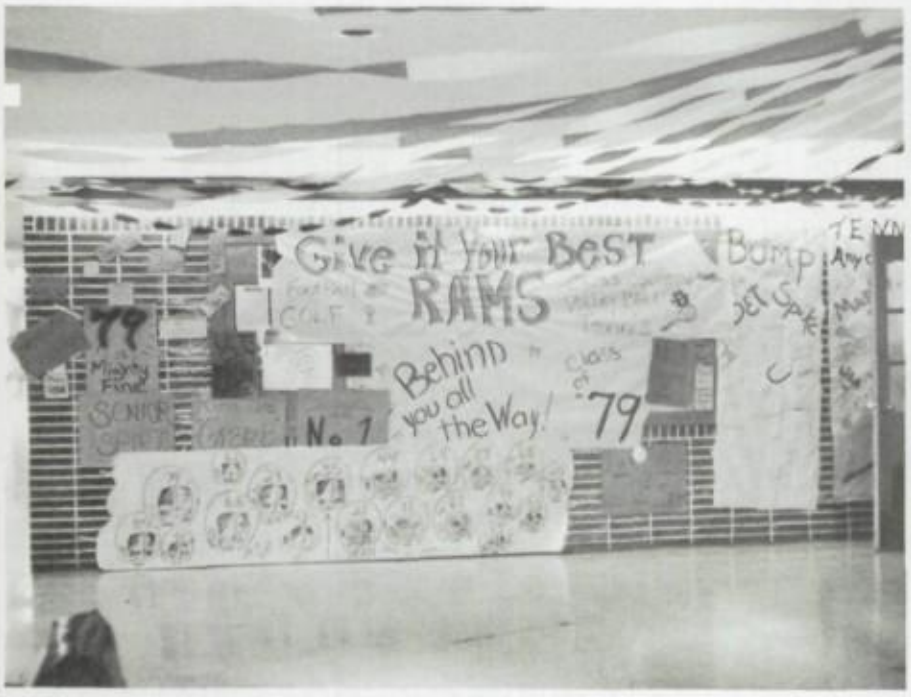
SPIRIT WEEK



The commons reflected Senior spirit.

Spirit ran high in the Junior class.

The three musketeers? No! Seniors Jim Schuster, Mark Newell, and Gary Book

Though newcomers, the Sophomores kept up the pace when it came to demonstrating their spirit.

During the 1978-1979 football season, the cheerleaders held a contest to determine the class with the most spirit. The classes were judged on the decorating of their respective halls, skits performed at the pep rally, and their general enthusiasm. The winning class was announced at the game. The "Class of 79" was victorious.

FOOTBALL CHEERLEADERS

RESERVE: Becky Cunningham, Laura Russell, Theresa Summit, Liz Johns, Jackie Reidlinger

The 1978-79 football season for the Rams began in August. The grueling two-a-day practices readied them both physically and mentally for the first game, September 1 with River Valley. New offensive and defensive plays were drilled and drilled into the minds along with hours of basic fundamentals. The season did not go as well as planned, but everyone tried their hardest and never gave up. The Rams had three victories, one tie and six losses. Out of the three victories, the Rams shut two teams out.

The Rams had two new coaches this year, Mike Rothlisberger and Richard Kerner. Coach Bartley was head coach for the first time.

The Rams had five members receive NOL honors. For first team NOL were Doug Orians, fullback; Russell Young safety. First team honorable mention were Victor Koehler, line backer; Brian Rife, offensive end; and Scott Stecher, center.

Never giving up, the Rams gave it their all, each Friday night. No one can discredit the hard work and diligence displayed by the coaches and members of the 1978-1979 Fighting Rams.

A young and inexperienced Junior Varsity squad, under Coach Ralph Smith, ended their season with a 11-7 record. This year the Junior Varsity team had only one junior. The rest of the team consisted of seven sophomores. They provided much ecitement for the Ram fans. The Junior Varsity squad built up some experience for next years Varsity squad, which will be very young.

Record: 8-10

The Upper Sandusky Rams finished a respectable 7-7 for a fourth place finish in the tough Northern Ohio League. The Rams started the 1978-79 season fast, winning three of the first four games before falling into a six game losing slump. Upper bounced back to win six of their last ten outings, finishing with a 9-11 overall record.

Despite having eleven losses, most games were close and hard fought, with five of the losses being by a total of seventeen points and five losses coming by state ranked teams. The rams missed placing third by losing to third place Bellevue twice by margins of two and 1 points.

The Rams proved to be the best shooters in the league, shooting 47% from the floor for the year. Other season highlights were the placing high of the five Ram starters in five of the six different NOL statistical categories and the beating of Ontario to compete in the sectional finals.

Twenty-seven boys participated in the 1979 Ram Baseball program. Although the Varsity and Junior Varsity teams did not enjoy success on the field, it was a learning year as sixteen boys earned letters and everyone gained valuable experience. The Varsity ended their 1979 season with a 3-13 record and the Junior Varsity ended their season with a 0-4 over-all record. It's hoped that this year will lead to greater success in the future. Among Upper's victories was a win over an excellent Bucyrus team that was undefeated at the time. The Rams will be losing seven seniors this year but will have an experienced J.V. team helping them out next year.

The staff held a dance after a football game to raise money for a camera purchased at the beginning of the year. They took field trips to WYAN's radio station, the Kenton Times newspaper office, and the Bowling Green radio and TV stations.

The 1978-1979 Art Club had a busy year supplying posters for coming events. One of the projects was making 24 posters for the bloodmobile. Much of the art, which decorated the halls at school, incuding the showcase, was done by the Art Club. At Halloween the Art Club busied themselves by painting windows uptown. They also sponsored a dance in February to raise enough money to buy Art III and IV frames for oil-paintings.

The Art Club began in 1961. They have helped out whenever USHS and the public needed spirit, enthusiasm, advertisement and financial aid in the form of art.

The Fellowship of Christian Athletes provides an important medium for all high school athletes of the Christian faith. The FCA ministry includes sending cards to students or their families in the event of illness or a death, conducting special worship services at various churches, and volunteering aid for the athletic department, high school, and community in any way possible.

The 1979 FCA huddle at USHS was headed by captain Thom Gilbertsen, captain-elect Russ Young, treasurer Jay Leslie, and secretary Teresa Sammet. The huddle's advisors were coaches Ralph Young, Tom Needs, and Andra Bell. FCA meetings consist not only of regular business, but also provide for a fellowship among the athletes where they can discuss their mutual faith, interest in athletics, and any problems they might wish to work out. This aspect of the FCA makes it one of the more unique clubs at USHS.

"A brighter future, a golden past", was this year's theme of the F.F.A. This year the chapter held monthly meetings, a special ice cream activity, and held its annual fruit sales. The F.F.A. banquet, held on March 12, saw Miss Angie Kinley crowned as chapter sweetheart. Tim Wood, State F.F.A. Vice President, was guest speaker.

Other chapter activities included: State and National conventions, judging contests, public speaking, and parliamentary procedure. The chapter will strive to achieve a brigher future under the advice of Mr. Ralph Schrock, their advisor.

The motto of the 1978-1979 FHA was Toward New Horizons. Activities during the year included selling tupperware, learning to decorate cakes, and a taco party. The highlight of the year was the FHA/HERO State convention held in April.

It was a good meal, but Helen Wertz, Sonya Schryer, and Lori Holman were still left with the clean-up.

The 1978-1979 FNA, advised by Mrs. Sankey, consisted of a small group of girls interested in becoming nurses or pursuing some other type of medical career. The girls did volunteer work after school as candy stripers at Wyandot Memorial Hospital. Being a candy striper gave the girls an idea of some of the duties involved in being a real nurse.

FUTURE TEACHERS OF AMERICA

The purpose of F.T.A. is to help students in their goal of becoming teachers. An observation day was held in May so that members could go to different schools and observe teaching methods. A scholarship is given every year to a member of F.T.A. who wishes to go to college and major in some aspect of the education field. To make money for this scholarhip, a dance was held on February 16 following a basketball game. Another activity was our Christmas party and gift exchange.

We, the 1979 yearbook editors, hope that these pages help you capture the memories of the school year. As in making movies, the production of a yearbook requires the help and consideration of a great many individuals. Our thanks to those people who helped with this year's book, and a special thanks to our advisor, Mr. Snyder, for all his help. We sincerely hope that we have covered the year adequately and there are no errors or omissions.
